TITAN

Cyclonic Bagless Canister Vacuum

Model Number: T8000

Warranty: 1 Year

Equipped with a powerful 12 amp motor and a high grade power nozzle, Titan's T8000 delivers powerful suction and efficient maneuverability to make cleaning a breeze.

The T8000 cleans top to bottom, from bare floors to living room rugs, under furniture and over window draperies. Its bagless technology means there are no more bags to buy or change. Convenient features like HEPA filtration, multi-level height adjustment and auto cord rewind make this a versatile vacuum that can handle all your tough cleaning chores.
